The growing numbers of readers everyday is the prime fact evidence for its popularity.

IAR-ITI:- As India needs a huge number of skilled professionals in future, the Managing Committee had decided to establish an ITI in the city. The main objective is to develop industrial training program in various trades. We want to prepare a work force of skilled professionals for the future. With a lot of hard work and efforts of Managing Committee and Ministry of Social Justice & Empowerment, Imam Ahmed Raza Industrial Training Institute is being established in Amroha. The Foundation has arranged 1.5 acres of land on lease for the tenure of 29 years. For construction of building of ITI, a grant of Rs. 10,00,000 was sanctioned by Maulana Azad Education Foundation & Rs. 7,00,000 has been received till now. Construction of building is in full swing and supposed to be completed and start functioning shortly. The foundation is determined to upgrade this ITI to a Technical Degree College in near future.

Eureka Vocational Institute :- Having kept in mind the enlistment & development of women especially the girls. The FOUNDATION has established Eureka Vocational Institute. This one proved a grand success in the way of making the women self depend. In the second step of Eureka Vocational Institute about 35 courses were provided and about 250 trainees got training in this institute and it proved very supportive for them for 10 months.

Eureka Computer Education:- As the Computer has become the need of the time so it is also considered to spread and impart the computer education to the students for their self dependence. The FOUNDATION is running a computer center named Eureka Computer Education. This year 40 students both boys & girls were imparted training and computer skill. Now they are self-depend and working for their living. The FOUNDATION is much satisfied with their progress.

Eureka Typing Institute:- The FOUNDATION has always kept in mind that the vocational training both for girls & boys is the need of the hour to reduce the effects of the unemployment. To attain this goal the FOUNDATION has started a typing training center named Eureka Typing Institute at Amroha. During this financial year under the review 40 students were imparted training in typing both Hindi & English. This one was also very popular among the students.

Eureka Coaching Centre:- Eureka Coaching Centre which is registered under the coaching registration act, 2002 through the office of DIOS, Amroha whose registration number is JPN – 0074. The FOUNDATION got the renewal of this registration on 20th December 2011 for the next three years. This center has been established with the sole purpose of helping the poor & needy students through books. The best sitting arrangement, regular session and computerized notes are the salient features of this coaching centre. Eureka Coaching Centre has been very popular among the students for the graded guidance and high educational atmosphere. The FOUNDATION further aims at starting the coaching for the major entrance exams as I.A.S., I.P.S., P.C.S., IIT, JEE, CPMT, AIEEE, MAT, and many more.

Eureka Book Bank:- Eureka Book Bank is a subordinate institute of Amroha Public Library. The FOUNDATION provides the books to the brilliant & needy students for the whole year. Through this Book Bank a lot of students have benefited till now. Eureka Book Bank contains all the important & necessary books of various subjects like Literature, Psychology, Urdu, Education, Economics, Geography and Commerce. The FOUNDATION aims at the spread and progress of education among the people especially backward classes and Scheduled caste. This Book Bank also provides the journals and other important magazines to the students for the preparation of the competitive exams.
