

AMROHA EDUCATION FOUNDATION (Regd.) is a popular and eminent educational & social organization (NGO) of Amroha (U.P.). It was founded on 30<sup>th</sup> June 2000. The contribution of the FOUNDATION in uplifting the weaker sections especially educationally backward people of the society. The growing popularity of the institutions subjugated by the FOUNDATION is the prima-facie evidence of the success of our vision and mission. A brief sketch of the activities emitted by the FOUNDATION for educational upliftment & social welfare is as following.

**1. National Festivals:-** The celebration of the National Festivals is too necessary for creating the feeling of patriotism among people especially students. that is why the FOUNDATION has celebrated the national festivals i.e. Independence Day, Gandhi Jayanti & Republic Day with great pomp & show. The students had great zeal & interest for these festivals. The National flag was heisted by the persons of great reputations and eminence on these festivals. Several debates and other cultural programmes were held by the FOUNDATION and these occasions.

The FOUNDATION spent **Rs. 44,457/-** on National Festivals.

**2. Pulse Polio Camps:-** The FOUNDATION has a firm purpose of social welfare in this course FOUNDATION has participated actively in organizing the Polio Camps in library premise on every Polio Sundays. The first & foremost objective of the FOUNDATION is to assist in activation of the Govt. schemes & plans for social welfare & development. These camps were held on every booth day i.e. 15<sup>th</sup> April 12, 17<sup>th</sup> June 12, 9<sup>th</sup> Sep. 12, 4<sup>th</sup> Nov. 12, 20<sup>th</sup> Jan 13, 24<sup>th</sup> Feb 13. Many tiny kids up to the of 5 years got vaccinated very properly.

The FOUNDATION spent **Rs. 17,432/-** on these camps.

**3. Health Camp:-** Being encouraged by the previous activities & output of the health camps, the FOUNDATION decided to organize a large Health Camp on 13.02.13 on Wednesday for the awareness among people for several disease. This one like the previous was also very successful for the point of the Social Service. In this 3 specialists took part and more than 485 patients were checked and medicines also distributed among people. Thus the FOUNDATION proved again that it is quite helpful to general weal of the public. This is also the motive of the whole Managing Body. This Health Camp was widely appreciated by the people for it contained quite the sober wishes of charity.

The FOUNDATION spent **Rs. 77,035/-** on this camp.
